*Our dormitory and military furniture is designed to provide maximum utility in tight spaces with construction that stands up to years of hard use. We provide unique locking options on many furniture items to secure belongings and protect privacy. Unlike many other steel furnishings, our dorm and quarters furniture is available in more than two dozen colors to coordinate with your facilities—all at a price that fits your budget.*

## Our Furniture Features:

- Green manufacturing including non-toxic finishes, recycled steel content, and recycled fiber content with non-toxic bindings
- Unique and flexible locking options on many items
- Counterweighting and other safety features
- Numerous configurations to allow users to make the most of available space
- Heavy-duty steel construction with durable powder coat finish
- Made in the USA
- Full lifetime warranty

## Steel With Style

When you choose CSD, you don't have to choose among strength, utility, and style. Our dorm and quarters furniture is available in a range of colors to coordinate with your facilities. Furniture may also be finished with wood grain laminate fronts and laminate accent insert under drawer pulls. Beds are available in complementary Mil Gray or Black.

## Solutions First

Customers purchase beds, wardrobes, nightstands, and/or chests to increase storage space and improve accessibility, efficiency, productivity and morale. That's why CSD focuses on designing solutions, not just products. Our name says it all.

## Lifetime Warranty

Every CSD product comes with our exclusive lifetime warranty on parts and two-year warranty on labor—the best in the storage industry.

## Turnkey

From design to installation, CSD provides our customers with the start-to-finish support they need to implement a solution that's as worry-free as possible.

# Dormitory Beds

*Durable, flexible, and safe for years of carefree performance*

Our dormitory beds provide the flexibility to suit varying room shapes and sizes and the strength to provide safe, lasting performance through years of heavy use. Sleeping surfaces feature heavy-gauge carbon wire links to resist sagging. The frames are constructed of heavyweight steel with a durable powder coat finish. They are available in Black or Mil Gray to complement accompanying furnishings.

## University Loft/Bunk Bed

These loft/bunk beds, with built-in ladder, offer a rust-resistant powder-coated finish. Quick and easy set up make these beds perfect for any residence hall/dorm setup. Available colors are Black or Mil Gray to complement furniture colors.

## Square-Tube Military/Dorm Bunk Bed

Our square-tube carbon wire link beds are available in two different widths and can be used as single beds or be converted to bunk beds as needed. Options include laminated head and footboards, facia rails, bunk adapters, guardrails, and bunk bed ladders.

*Complete your dormitory room with underbed storage, desks (p.5), nightstands (p.6), chests (p.6), wardrobes (p.7), and more, all available in 25 colors (p.1).*

# Under Bed Cabinets/Chests

*Extra storage that doesn't take up extra space*

Make every inch count with our convenient underbed cabinets, featuring two drawers with full-width recessed pulls. They're constructed with the same heavy-duty powder-coated steel and durable ball-bearing suspensions as our full-sized chests. Choose from 25 colors and optional laminate accent insert under drawer pulls to coordinate with other furnishings.

# Military-Style Beds

*Built for the long haul*

Military props courtesy of Top Gun Military Apparel, Inc.

We're proud to put our steel behind the hard-working service members of the US military. All of our military beds can be used as single beds or bunks with some having multiple height adjustments for maximum versatility. Their heavy-duty 16-gauge steel construction and no-sag sleeping surfaces provide lasting support. Our military beds are all GSA-approved and priced to provide long-term value. They are available in Black or Mil Gray to complement furniture colors.

## **Military-Style Adjustable Pan Bed**

These heavy-duty steel deck beds adjust to five height settings and can be set up easily in single or bunk style with the headboard or footboard used as a ladder. Options include bunk adapters, partial or full-length guardrails, and bunk bed ladders.

## **Seven-Position Military-Style Adjustable Bed**

Our seven-position sinuous wire deck beds can be used as single beds or converted to bunks as needed. Options include laminated head and footboards, facia rails, bunk adapters, partial or full-length guardrails, and bunk bed ladders.

## **Round-Tube Military-Style Bed**

Our round-tube carbon wire link beds can be used as single beds or be converted to bunk beds as needed. Options include bunk adapters, guardrails, and bunk bed ladders.

## **Square-Tube Military/Dorm Bunk Bed**

Our square-tube carbon wire link beds are available in two different widths and can be used as single beds or be converted to bunk beds as needed. Options include laminated head and footboards, facia rails, bunk adapters, guardrails, and bunk bed ladders.

## **Bolt-On Bed**

These adjustable height beds can be used as singles or bolted together to form bunks as needed. Options include laminated head and footboards, facia rails, bunk adapters, partial or full-length guardrails, and bunk bed ladders.

*Complete your living quarters with underbed storage (p.2), desks (p.4), nightstands (p.6), chests (p.6), wardrobes (p.7), and more, all available in 25 colors and wood grain laminate finishes (p. 1).*

# Desks and Student Table Desks

*Designed for productivity and security*

Our desks and table desks can multitask with the best of them. They are available in several configurations to keep work organized, with locks to protect privacy and belongings. All desks and table desks feature powder-coated steel construction for lasting performance and are available in 42- and 48-inch sizes (table desks are also available in a 36-inch size). Desks are available with two or three drawers, mounted on the left or right, with heavy-duty ball-bearing suspensions on drawers. Table desks come standard with a center drawer and solid panel legs. Additional desk options include:

- Choice of 25 paint colors and several laminates
- Laminate accent insert under drawer pulls
- Keyboard tray with retractable platform and mouse pad extension
- Locking drawers with padlock hasps

## Study Carrel

Provide shelf space over the desk with our study carrel. Available with one or two shelves and optional task lighting.

# Single and Double Width Chests

*Unique locking options for added security*

We offer chests in single and double-wide units with three, four, and five drawers. Locks may be added to secure all drawers at once. The chests are counterbalanced and include leveling glides to prevent tipping. Top-mounted book cases and drop-down work surfaces can be added to all four- and five-drawer chests to create extra work space. Our chests meet or exceed ANSI/BIFMA X5.5-2008 standards and are GSA-approved. Additional options include:

- Laminate accent insert under drawer pulls
- Locking drawers with padlock hasps
- Laminated wood grain fronts and an array of finishes

## Nightstands

*Convenience and security*

Our nightstands combine CSD's heavy duty steel construction with a durable powder coat finish in your choice of 25 colors. They are counterweighted for safety and stability, include leveling glides to prevent tipping, and feature drawers with full ball-bearing suspensions for easy operation year after year. Choose from a range of shelf and drawer arrangements. Additional options include:

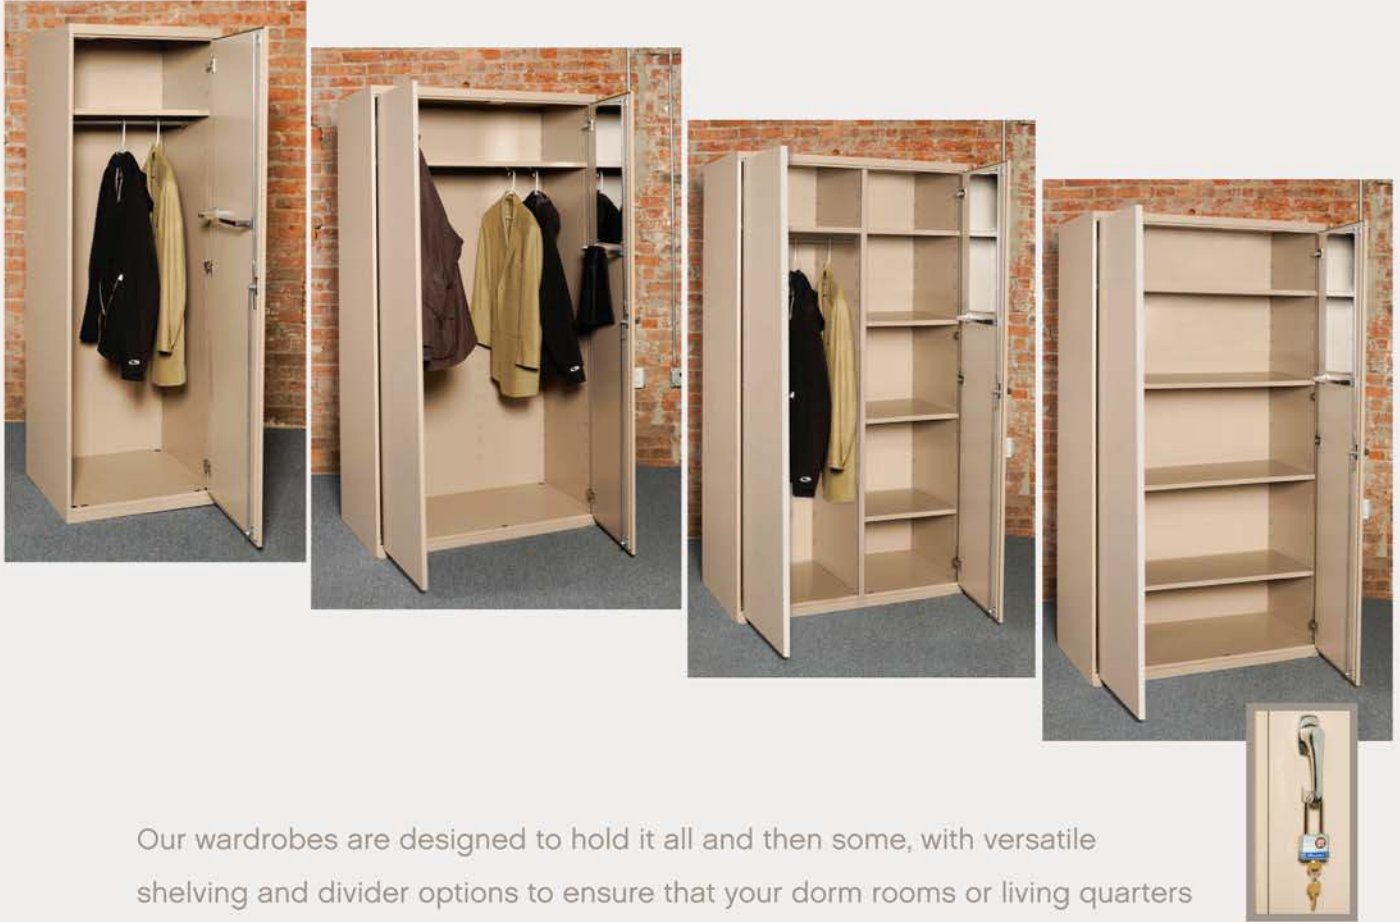

- Laminate accent insert under drawer pulls
- Laminated wood grain fronts and an array of finishes
- Locking drawers with padlock hasps

# Wardrobe Cabinets

*Big storage, big utility*

Our wardrobes are designed to hold it all and then some, with versatile shelving and divider options to ensure that your dorm rooms or living quarters are well-outfitted. Our wardrobes are built to last, with durable double wall construction. Our cabinet handle has a 3-point locking system and will accept a padlock. All wardrobes feature at least one shelf and a hanger bar. Choose from models with single and double doors, wardrobe/storage combinations, external drawers, and more. All wardrobes feature at least one shelf and a hanger bar. Choose from models with single and double-doors, wardrobe/storage combinations, external drawers, and more. Our wardrobes meet or exceed ANSI/BIFMA X5.5-2008 standards and are GSA-approved.

Additional options include:

- Coat hooks
- Stainless steel mirrors
- Towel bars
- Various chest inserts for drawer storage
- Wood grain laminate fronts and a variety of paint colors
